## 1. Results day

### i) Collecting exam results

Candidates must collect their results from their school or college (centre), usually on the published results day.

For the June 2025 series, the publication of results day is from 8:00am on **Thursday 3 July 2025**.

WJEC is unable to provide or discuss results over the telephone or via email communication with candidates or parents, even if the school or college is closed. Candidates should, therefore, check with their school or college when and where results will be available for collection and how and with whom they can discuss any issues or concern.

Results must not be divulged to others including local authorities and the media until after 9.30am on the Thursday.

### (ii) What to expect

On results day, candidates will normally receive a result slip showing their results (see Appendix 1). If qualifications have been taken with different exam boards, candidates may receive more than one results slip, or the school or college may create one single slip showing all results together.

At this point results are designated as provisional; changes may be made at a later point, for example, following a Review of Moderation.

### iii) How are results displayed on a result slip

Results slips will show candidate results for each component (for the subjects) taken within that series. Entry Pathways results are reported as a Pass (P) at either, Entry 1 (E1), Entry 2 (E2), Entry 3 (E3). In some subject areas a Level 1 (L1) award is also available.

Unit results that make up the cash in are reported as Pass (P) but also report the number of credits achieved for the unit.

Candidates who fail to reach the minimum standard for a Pass receive no grade (Q).

### iv) Symbols used on a result slip

In addition to grades and marks, results slips may also contain other symbols:

X indicates that a result is not being issued due to a candidate being absent for all components/units. It may also be because a decision has been made not to issue a result. Any subject with an (X) will not appear on the certificate.

Q indicates that a result is pending or is currently unavailable.

# This indicator is shown next to the overall grade if a candidate completed work for some, but not all, of the subject's components or units.

## 2. Understanding your results

The qualification grade is awarded based on the aggregation of unit credit. Each unit is given a credit value from 1 to 5 credits. To achieve the relevant qualification candidates are required to complete units of sufficient value to achieve the:

**Award** - 8 or more credits, with at least 5 credits achieved from units at or above the level of the qualification.

### 3. Moderator reports

Moderator reports are available to download from the Results > File Download – Print Results area on Portal up to **31 December 2025**.

Centres that require reports after this date should contact the subject team directly to gain access to the report.

### 4. What to do if a candidate wants to query a result

It is important that candidates discuss any concerns with their school or college, usually an exams officer or teacher, and decide on the best options available.

If it is considered that there may have been an error, an application can be made for

- **Post-results review of moderation** – please note this is not available for individual candidates.

Applications cannot be submitted by internal candidates or parents. The outcome will be issued directly from WJEC to the school or college, who will then pass the information onto candidates.

For further details, please contact [pathways@wjec.co.uk](mailto:pathways@wjec.co.uk)

### 5. When are certificates available

Certificates will be sent to centres by **November**.

Candidates should check that their personal details, name and date of birth, are correct on the results slip and inform the Examinations Officer if there are any errors. Exams officers must inform WJEC of errors, in writing, not later than **5 September**. If errors are not corrected at this stage, there will be a charge for replacing certificates after they have been issued. Candidates should check the arrangements for receiving their certificate with their school or college.
