

# EXAMINATION REQUIREMENTS JANUARY 2024

GENERAL CERTIFICATE OF SECONDARY EDUCATION  
LEVEL 1 GENERAL QUALIFICATIONS  
LEVEL 1 / LEVEL 2 VOCATIONAL AWARDS (LEGACY: RESIT ONLY)  
LEVEL 1 / LEVEL 2 VOCATIONAL AWARDS (TECHNICAL AWARDS)  
HEALTH & SOCIAL CARE & CHILDCARE (WALES)

To avoid potential breaches of security, care must be taken to ensure the correct question paper packets are opened.

The Examinations Officer, with another member of the examinations team, must check the time, date and any other paper details before a packet is opened.

## **Subject & Paper Number**

This is the number printed on the question paper and the attendance register.

## **Answer Books**

For each examination, an indication is given as to the **likely** requirement per candidate. Clearly, this information can only be a guide as some candidates will write more than others. However, it does provide an indication as to the basic requirements, and it identifies those subjects where this stationery is not required at all.

The following indicators have been used:

16p	Pink scannable booklet. This answer booklet <u>must</u> be used for all examinations that require an answer booklet. If any candidate requires additional writing space, a pink 4-page scannable booklet should be used.
4p	Pink scannable booklet. Where a candidate requires additional writing space a pink 4 page scannable booklet should be used.

**Candidates must follow the instructions on the front of the question paper for indicating question numbers in the answer booklet.**

—	No booklets are required. This applies to examinations where answers to all questions are written in a question-and-answer booklet. If a candidate requires additional writing space a 4p scannable booklet should be used.
---	---

Further information regarding answer booklets can be found on our websites: [WJEC](#) and [Edugas](#)

## **WJEC Supplied Materials**

This covers additional items which are issued with the question papers and which candidates will require **in addition to a copy of the question paper** e.g. Resource Material, Data Booklets.

## **Centre/Candidate Supplied Materials**

This covers other items which candidates may require in the examination which are provided by the centre/candidate (e.g. calculators, dictionaries etc.). Centres must not provide candidates with exam related materials which are not listed. Such materials would be considered as unauthorised and may constitute malpractice.

**Special note relating to Calculators** - Calculators are only listed in this booklet where they are **likely** to be required by candidates. They are however now permitted in all WJEC examinations unless specifically prohibited in the specification.

## **General Information**

A range of subject specific information is included, e.g. whether dictionaries are permitted in the examination room.

**Non-Interactive electronic question papers (NIQP)** are available for all qualifications/levels in PDF format. Provided that both a request has been processed through Access Arrangements Online (AAO) and an entry has been made, NIQPs will be available to download on the day of an exam from our [WJEC secure website](#) where full details on how to access NIQPs are also available. There is no need to phone WJEC for a download password for NIQPs.

## **Removing question papers from secure storage**

In order to avoid potential breaches of security care must be taken to ensure the correct question paper packets are opened. An additional member of centre staff, who can be an invigilator, must check the day, date, time, subject, unit/component and tier of entry, if appropriate, immediately before a question paper packet is opened. This check must be recorded. The JCQ has produced a template for centres to use. This can be found at <https://www.jcq.org.uk/exams-office/ice---instructions-for-conducting-examinations/second-pair-of-eyes-check-form>

Question papers will be available on the [WJEC secure website](#) on the day of examinations. Primary account holders will be able to access these files in 'TODAY'S QUESTION PAPERS' under 'RESOURCES'. Centres will need to phone the relevant department for a password to access these files:-
