GCE	14/05/2025	2660U30-1	Music AS Unit 3 (Wales)	1h 30m approx.	PM	N	Centres will need to download the audio required for the examination from the Portal. It will be available one working day before the exam. There are optional Areas of Study in this examination, so in order to help exams officers there is a form on the subject web page which can be printed and passed to the subject teacher to specify which audio files they require to match the Areas of Study they have taught. There will also be versions of the audio with 25% extra time built in. Centres will need good quality sound equipment. 2660U30-1A Resource Booklet.	An unmarked copy of the score of the set work studied in Area of Study A. Candidates are allowed to pencil in bar numbers.	There are audio recordings for both parts of this examination. There is a separate audio file for each Area of Study for Section One. Centres should select the audio file for the Area of Study that they have chosen. All the pauses are timed on the audio files. For Part Two, there are two audio files – one for "The Symphony" and one for "Religious Choral Music" on which all pauses are timed. Please note that due to the varying length of musical extracts, the total time is approximate and the timing of the examination is as directed on the audio recording. Please refer to 'General Information' tab regarding the change in procedure for the accessing of audio-visual resources.
GCE	14/05/2025	B660U30-1	Music AS Component 3 (Eduqas)	1h 30m approx.	PM	N	Centres will need to download the audio required for the examination from the Portal. GCE	09/06/2025	1660U80-1	Music A2 Unit 6 (Wales)	2h 15m approx.	PM	N	Centres will need to download the audio required for the examination from the Portal. It will be available one working day before the exam. There are optional Areas of Study in this examination, so in order to help exams officers there is a form on the subject web page which can be printed and passed to the subject teacher to specify which audio files they require to match the Areas of Study they have taught. There will also be versions of the audio with 25% extra time built in centres will need good quality sound equipment.	An unmarked copy of the scores of the set works studied in Area of Study A and Area of Study F, Strand 1 or Strand 2. Candidates are allowed to pencil in bar numbers.	<p>There are audio recordings for all 3 sections of this examination. Centres will need to use 2 audio files for the complete examination.</p> <p>For section 1 there are 2 audio files relating to strands 1 and 2 of Area of Study F. Centres should select the audio file for the strand they have chosen.</p> <p>For section 2 there are 3 audio files relating to strands 3, 4 and 5 of Area of Study F. Centres should select the audio file for the strand they have chosen.</p> <p>The audio for section 3 is on all of the section 2 audio files, so there will be no requirement to change the audio file at the end of section 2.</p> <p>All the pauses are timed on the audio file except for the last two questions in section 3 which should be timed by the invigilator.</p> <p>Please note that due to the varying length of musical extracts, the total time is approximate and the timing of the examination is as directed on the audio recording. Please refer to 'General Information' tab regarding the change in procedure for the accessing of audio-visual resources.</p>

It will be available one working day before the exam. There will also be a version of the audio with 25% extra time built in. Centres will need good quality sound equipment.		<p>The Listening Test is recorded on one audio file. All pauses are timed on the audio.</p> <p>Please note that due to the varying length of musical extracts, the total time is approximate and the timing of the examination is as directed on the audio recording.</p> <p>Please refer to 'General Information' tab regarding the change in procedure for the accessing of audio-visual resources.</p>
